

Association Mission

To promote education and networking among the membership in California. To conduct meetings for the benefit of all, to discuss and solve mutual problems and gain knowledge to better serve our customers.

Purpose

The California Association of Business Printers (CABP) is a long standing association of small commercial, quick/digital printers and industry suppliers doing business in the greater Southern California area. It is dedicated to helping small printing companies of less than 15 employees improve their business and their management skills.

Why Join Us

As an Owner member of CABP, you become part of a unique industry group that strives to enhance your marketing, management, financial and sales skills.

For our Suppliers, we are a direct resource to this segment of printing companies.

Together, we mutually assist member growth through networking opportunities, timely information and excellent educational programs.

Involvement to Make a Difference

Participation as an elected Officer, Board Director or meeting committee member is a real opportunity to help all our members, the industry and yourself. You can become a key influence in presentation content and the depth of value to our membership. As a decision maker for the association and guide in its direction, this is an open invitation to any interested CABP member.

If you are interested in serving on a committee or being an educational sponsor of this association of printers, please contact any of the board members listed (back page) or PIASC (323) 728-9500.

Member Benefits

For your annual membership fee of only \$75 (Suppliers-\$125), you will receive:

- The CABP monthly newsletter "Newslink"
- Printing Industries Association of Southern California affiliate benefits:
 - PIASC newsletter "Weekly Update"
 - Company listing—PIASC Membership Directory
 - Company listing—PrintAccess Web Directory
 - Web access—Slow-Pay Customer database
 - Use privilege—Association Collection Service
- Discounted registration to **CABP meetings and seminars**
- **Leadership Training**
- **Networking opportunities** with Owners and Managers of printing companies with similar size businesses
- **Educational programs** for both management and technical staff
- **Annual Sun-Your-Buns Conference**
- **Group purchasing programs**

Don't Hesitate

Join CABP for the benefit to you and your staff. The educational information will help you achieve smarter operation and greater profitability for your printing business!
